

Dear Partners:

Welcome back from Holiday. Happy new year, and wish you have a prosperous Y2024.

- New year holiday is coming middle of Feb. and it may bring influence to the production capacity of whole supply chain. Please check your customer’s demand for Q1 and release the order shortly.
- After the whole year hard work to integrate the various type of liquid crystal, we are pleased to offer our new strategy of monochrome LCD module.
 1. There is no minimum order quantity request from our standard item list. Please check with your sales contact if you have not received the latest update of product list.
 2. The MOQ request of custom design item is based on 100 sets mother glass. In other words, the MOQ request depends on the outline dimension of LCD.
 3. Tooling cost of custom design item.
 - LCD : US 600 (Single mold)
 - Backlight : US 1250 (Single mold)
 - FPC : US 500
- New TFT product introduction
4” 480* 480 IPS display

Item	Description
